# Priyansh Kashyap

SDE-1 @ CrossBo AI | App Developer | IIT Ropar EE’25

Rupnagar, Punjab, India

## Summary

Currently working as SDE-1 at CrossBo AI, where I design and ship end to end features across the frontend and backend. My experience spans full stack development, REST API design, CMS integration, cloud infrastructure (AWS, S3), and cross-platform app development. I've worked across early stage startups and contributed to open source.Tech: Full Stack Development · REST APIs · AWS · Amazon S3 · CMS · JavaScript · React · Node.js · C++ · Data Structures & Algorithms
